

39th Annual Auction

The San Francisco School

California Academy of Sciences

March 17, 2018

6:30 PM – 11:00 PM

DEAR SAN FRANCISCO SCHOOL COMMUNITY,

We look forward to seeing you at *A Night at the Museum*, The San Francisco School's 39th Annual Auction for Tuition Assistance! We'll have a great time as we celebrate and support the rich diversity of our community. The funds we raise during the auction are critical to our mission. They support the Indexed Tuition program that directly benefits one-third of our families and indirectly benefits our whole community. Our Auction Event on March 17 will feature SFS Community Items in both the Silent and Live Auctions. Bid early and often on great items knowing that you are supporting an essential cause. Our goal for the night is to have parents, guardians, staff, and our guests come together as a community in support of the school — socialize, eat, mingle, dance, and of course, bid! We hope that you will enjoy catching up with friends, faculty, and fellow parents.

For those who are unable to attend the auction, you may request a bidder number from the Advancement Office and have a friend bid on your behalf at the event. Additionally, remaining items and class sign-up events will be available for bidding in a binder at the Front Desk the week following the auction.

There are ways for everyone to participate, and we hope that you will!

FREQUENTLY ASKED QUESTIONS

WHERE IS THE AUCTION EVENT BEING HELD?

The Auction will be held at the California Academy of Sciences, located at 55 Music Concourse Drive, San Francisco, CA 94118.

HOW DO I CHECK IN?

As you enter the Museum, head left toward the East Pavilion. There you will find our registration team who will check you in and issue your bid card. Use this number to bid on Silent and Live items. To simplify and speed up your Check Out post-event, we encourage you to swipe your credit card at registration (Visa or MasterCard).

HOW DO I BID?

Some bid sheets will have printed bid amounts while others will be blank (those that have a suggest donation or sliding scale will have a blank \$ amount column).

Write your bid number and the amount you are willing to pay on the bid sheets. Every bid sheet will indicate a minimum bid amount and bid increment amount. Please bid accordingly.

HOW LONG DO I HAVE TO BID?

All Silent Auction categories close at 7:45 PM. It is important to watch your bid closely so you can make sure you are the highest bidder when your item closes!

WHAT ABOUT ITEMS WITH MORE THAN ONE WINNER?

There are several items in our catalog of donations that are meant for more than one person to win. You will find many examples of these in Community Eats & Outings, Faculty & Staff Fun, Kid-Sponsored Outings. There are fixed price items as well as items where multiple highest bidders will win. For the multiple-winner items, you write your bid number

next to an amount already indicated on the bid sheet. If you are interested in purchasing two seats at a Dinner, for instance, you should write your number in two subsequent spaces on the bid sheet. This may mean that there are some winners paying more than others. Said another way, winners may be paying different amounts for the same thing. Each bid sheet should indicate whether the bidding is "per spot", "per couple" or "per family"

HOW CAN I MAKE SURE I WIN AN ITEM I REALLY WANT?

Make sure you have the highest bid when the category closes!

HOW DOES THE SILENT AUCTION WORK?

The Silent Auction items have detailed descriptions on their corresponding bid sheets. The process is as follows:

- Write your bid number and amount of your bid on the corresponding bid sheet for each item.
- Each new bid must exceed the previous bid by the minimum increment noted on the item's bid sheet.
- Bid sheets must not be removed from their locations except by Auction Team members.
- After a category has closed, bids on those items will no longer be accepted.
- Winning bids will be acknowledged after the close of all categories and winning bidder information made available to donors at Check Out which begins on Monday, March 19.

HOW DOES THE LIVE AUCTION WORK?

During the Live Auction portion of the evening, the auctioneer will describe the catalog description of each Live Auction Item. In the catalog, it is specified how many bidders can win for each item. To bid, simply raise your bid number high in the air. If you

want to bid for two people on items where more than one bidder can win, raise two fingers in the air. Spotters will be stationed throughout the room to assist the auctioneer in identifying bidders. The auctioneer will keep track of the current amount being bid. The auction item goes to the highest bidder or, in the case where multiple bidders can win, the highest bidders. The final winning bidder(s) should continue holding up their bid number until their bid number and the winning bid amount have been repeated by the auctioneer. This ensures that it is properly recorded.

HOW DOES THE GOLDEN PADDLE RAFFLE WORK?

Only 100 Golden Paddle Raffle tickets are available. Each ticket costs \$50. The raffle winner is awarded the Golden Paddle worth \$2500 toward live auction bidding. Winner **may bid on as many Live Auction items as they like, but not win more than two** with Golden Paddle "credit". Winners must be present to win or have designated a live bidding representative. Tickets are available online and at the registration desk or from our roaming ticket salespeople the night of.

HOW DO I CHECK OUT? PICK UP ITEMS?

Silent Auction bid sheets will be processed following the end of the auction event. If you swipe your credit card at the event or store it while purchasing tickets online, we will begin charging credit cards for winning items on Monday, March 19 and you will receive a receipt itemizing your purchases as well as any applicable tax-deductible acknowledgement. If you prefer to pay by cash or check, we will receive an invoice from schoolauction.net indicating which items you have won and the associated costs. Please mail a check to the School, Attn. Advancement Office or drop off at the Front Desk as early as Tuesday, March 20.

WHERE DO THE DONATIONS COME FROM?

All of the donations represented in this catalog and at the Auction are contributions from the school community, our families, friends and the larger community, all in support of tuition assistance at The San Francisco School.

HOW ARE THE ITEMS VALUED?

The San Francisco School does not appraise or estimate the fair market value of auction items. The donors have supplied all statements of value appearing in the catalog and at the Auction. All property is sold "as is." The San Francisco School is not responsible for the accuracy of the value, description, authenticity or condition of any item.

ARE THE ITEMS TAX-DEDUCTIBLE?

Donations are tax-deductible to the extent allowed by law. However, The San Francisco School and the Auction Committee are not responsible for the tax consequences of any auction transaction. The San Francisco School is a 501(c)(3) nonprofit organization #94-1629702.

ANY OTHER DETAILS I SHOULD THINK ABOUT?

- All sales are final. Auction items, including all trips and homes are non-transferable.
- Many of the items donated have specific conditions such as time limits, availability, numbers of recipients etc.
- The buyer is responsible for contacting the donor for all items and services. The buyer is also responsible for being aware of any and all exclusions, date restrictions, time limits, requirements etc., stated in the catalog, on the bid sheets and the gift certificates.
- Taxes, tip, gratuity and alcoholic beverages are not included unless otherwise stated.
- All items that require date arrangements will be scheduled according to availability and at a

mutually agreed-upon time unless a specific date is given in advance.

Auction payments should be made in full at the time of check out, by cash, check, Visa or MasterCard.

- Some items may have a reserve price, below which items will not be sold.

Take the Cake

I love making personalized birthday cakes for my son (Kyon - 6th Grade) and will happily consult with you to design a special, super tasty cake or cupcakes for your kiddo's birthday or other special occasion. I've made pirate, Lego, Ninjago, soccer and animal themed cakes that have been a hit with both kids and adults. You choose the design and the flavor, I do the work. One less detail to worry about for your next party, one more happy birthday kid!

Tiny Library "A" Built by the 7th Grade

In support of their love of reading, the 7th Grade class has come together to design, build, and paint several Tiny Libraries. What is a Tiny Library? It is a small free standing library that is installed in places with high foot traffic (most often seen in a front yard). The movement was started to build community, spark creativity, and inspire reading... and we believe it did just that in our creating them. Join the movement and grab one of these for your front yard!

The winner of this item will have the option of registering their Tiny Library with www.littlefreelibrary.org. There is a \$40 cost to register, and is not included with this auction item.

Four Nights at The Sea Ranch

Enjoy hiking the (mostly stroller friendly) ocean bluff, whale watching or stargazing in the hot tub that overlooks the ocean, building sandcastles and exploring tide pools, observing Sea Lions and their pups, attending the kid-friendly Friday night speakeasy at Stewarts Point, or feeding giraffes sweet potatoes from your mouth at the B. Bryan Preserve (it sounds weird but take our word for it, you just have to try it). Our house has two bedrooms and a large loft, all with king size beds and unobstructed views of the ocean out front. There are three heated swimming pools, tennis courts, and a Scottish style golf course in the community for you to use, and you can get great massages (and giant pours of wine) at the Sea Ranch Lodge. See pictures at <https://www.airbnb.com/rooms/8519059>. Valid for 1 year from donation date.
